

INVITATION FOR TENDER

UKRAINE

« Capital repair of kindergarten No.2, kindergarten No.11, kindergarten No.1 "Kalinonka" in the city of Ivano-Frankivsk»

This Invitation for Tender follows the General Procurement Notice for this project which was published on the NEFCO website, Procurement Notices (http://www.nefco.org/how_to_work/procurement_notices) on December 21, 2018.

The Capital Construction Department of the City Administration (hereinafter referred to as “the Employer”), intends to use part of the proceeds of a loan received from Nordic Environment Finance Corporation (NEFCO) towards the cost of the project “Energy efficiency improvements in public buildings in the city of Ivano-Frankivsk”. The project is co-financed by E5P.*

The Employer now invites sealed tenders from Contractors for the following contracts to be funded from part of the proceeds of the loan:

- **Lot 1. Capital repair of kindergarten No. 2, kindergarten No. 11.** The Lot includes works:
 - Capital repair of kindergarten No.2” Malyatko "on 49A, Belvederska street, Ivano-Frankivsk city, “Capital repair of kindergarten No.11 “Piznayko” on 32A, Academician Sakharov street, in Ivano-Frankivsk city (implementation of investment project “Energy efficiency improvements in public buildings”). The works include thermal insulation of walls and a cap, thermal insulation of the roof, replacement of windows and doors, installation of local ventilation systems, modernization of internal electric networks and other works.
- **Lot 2. Capital repair of kindergarten No. 1.** The Lot includes works:
 - Capital repair of kindergarten No.1 “Kalinonka” on the street. Vovchinetska, 9 Ivano-Frankivsk city (implementation of investment project “Energy efficiency improvements in public buildings”). The works include thermal insulation of walls and a cap, thermal insulation of the roof, replacement of windows and doors, installation of local ventilation systems, modernization of internal electric networks and other works.

The tender shall be conducted through the Lots as described above. Tenderers may submit tender proposal for any single Lot, several or all Lots simultaneously taking into account the minimal qualification requirements the Tenderer is subject to.

Works on the capital repairs of the Objects as described above shall be implemented in parallel. The capital repair of the Objects is expected to start in July 2019. The expected completion date of works - not later than: 01.11.2019.

The tendering procedure and the contract will be subject to NEFCO’s Procurement Guidelines, which follow internationally recognized practices applied by International Financial Institutions (IFIs). The tender is open to firms from any country, provided that the firm is not ineligible or prohibited from bidding under national or international law.

Additional price discounts could be indicated in the tender proposal, including but not limited to: discounts which will apply in case of winning of several or all Lots which Tenderer had submitted his tender proposals.

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- a) the Tenderer has the financial, technical and production capability and capacity necessary to perform the Contract, and Tenderer’s average annual revenue in the last 3 years was at least 2 times greater than price of his tender. In case of tender submitted by JVCA, the leading partner should demonstrate at least 50% compliance with the requirement;
- b) the Tenderer has satisfactorily supplied similar goods and conducted similar works to other employers and completed at least 3 similar contracts on complex thermal modernization in the recent 5 years or 3 specialized contracts in each of the main types of works (insulation of building, heating system repair/reconstruction, installation of the IHS, repair/reconstruction of ventilation system) in the recent 5 years;
- c) the Tenderer is not bankrupt or under bankruptcy procedures according to the national legislation or regulations.

In case Tenderer shall submit tender proposal for several or all Lots for the purpose of calculation of minimal qualification requirements tender price of such Tenderer shall be determined as the total price of all submitted tender proposals including all discounts that may apply.

Tender documents may be obtained free of charge upon a written request of the Tenderer submitted to the Employer as attachment in PDF format by e-mail below. Upon receiving the written request from prospective Tenderer, the documents will be promptly dispatched electronically in PDF format, however, no liability can be accepted for their non-delivery or late delivery.

All tenders must be accompanied by a tender-securing declaration.

Tenders shall be sent to the office, the address of which is specified below before 12:00 according to the local time on July 8, 2019, to the office –№605, addressed: 6 Nezalezhnosti street, Ivano-Frankivsk.
