<b>Type of notice:</b>	General Procurement Notice - update
<b>Issue date:</b>	12.07.2019
<b>Closing date:</b>	11.07.2020 at 23:59 Kyiv time

This notice updates the previous General Procurement Notice for this project, which was published on NEFCO's website, section Procurement Notices

([http://www.nefco.org/how\\_to\\_work/procurement\\_notices](http://www.nefco.org/how_to_work/procurement_notices)) on July 12, 2018.

Communal Production Enterprise "Teploenergo" of town Horishni Plavni is using the proceeds of a loan from the Nordic Environment Finance Corporation (NEFCO), a grant from the Eastern Europe Energy Efficiency and Environment Partnership (E5P)\* and funding from the city of Horishni Plavni for the implementation of the Horishni Plavni District Heating Project - Energy Efficiency Improvement of the District Heating system in Horishni Plavni. The Project has a total estimated cost of EUR 7.72 million and remaining procurements of goods, works and services includes:

1. Supply and installation of boilers for renewable fuels based on sunflower husk with a total capacity of 8-10 MW;
2. Replacement of district heating pipelines;
3. Supply and installation of Supervisory Control And Data Acquisition (SCADA) system.

Tendering for the above contracts is expected to begin in Q3 2019.

Contracts to be financed with the proceeds of a loan from NEFCO, a grant from E5P and funding from the city of Horishni Plavni will be subject to NEFCO Procurement Guidelines available at

[https://www.nefco.org/wp-content/uploads/2019/04/NEFCO\\_Procurement-Guidelines\\_12122013\\_0.pdf](https://www.nefco.org/wp-content/uploads/2019/04/NEFCO_Procurement-Guidelines_12122013_0.pdf).

Tendering for contracts to be financed with the proceeds of a loan from NEFCO will be open to firms from any country. The proceeds of the loan and the grant will not be used for the purpose of any payment to persons or entities or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law of official regulation of the purchaser's country.

\*The Eastern Europe Energy Efficiency and Environment Partnership (E5P) Fund is a €180 million multi-donor fund managed by the EBRD and designed to promote energy efficiency investments in Ukraine and other eastern European countries. The fund was established under an initiative of the Swedish government during its presidency of the European Union (EU) in 2009. E5P complements energy efficiency loans provided by financial institutions including the European Bank for Reconstruction and Development, the European Investment Bank, KfW, NEFCO and the World Bank Group. Contributors to E5P are the EU and the US, as well as Denmark, Estonia, Finland, Germany, Iceland, Ireland, Latvia, Lithuania, Norway, Poland, Slovak Republic, Sweden, Switzerland and Ukraine.
