

# NORDIC FINANCE GROUP

The three Nordic multilateral financial institutions cooperate and offer complementary financing and competences. All three are located under the same roof in Helsinki, Finland.

- We offer long term financing to projects that improve productivity and benefit the environment of the Nordic and Baltic countries.

**CASE: A TEN-YEAR AND SEK 500 MILLION LOAN TO UPGRADE THE SLUSSEN WATER LOCKS AND TRAFFIC HUB IN STOCKHOLM FINANCED BY NIB ENVIRONMENTAL BONDS**

Illustration: City of Stockholm

- We finance sustainable green growth and climate projects globally.
- We focus on small and medium-sized projects with demonstration value.
- We offer bankability through risk capital, grants and environmental verification.

**CASE: FINANCING FOR ENERGY-EFFICIENCY PROJECTS IN SCHOOLS IN UKRAINE SAVING ENERGY, REDUCING CO2 EMISSIONS AND BENEFITTING 170,000 CHILDREN**
