

INVITATION FOR TENDERS

Ukraine

Implementation of energy-efficient project in street lighting system of the Mykolayivka city united territorial community, Donetsk region

INVITATION FOR TENDERS

“Adjustment of the design documentation, supply of materials and performance of works for replacement of obsolete fixtures with new LED ones, replacement of wire with SIW one, replacement of damaged polls, restoration of contours of protective grounding, disposal of dismantled lamps”

Municipal Enterprise of Mykolayivka City Council “Mykolayivka Department of Capital Construction”, hereinafter referred to as “the Employer”, intends to use part of the proceeds of a grant from the Nordic Environment Finance Corporation (NEFCO) for implementation of Project **Implementation of energy-efficient project in street lighting system of the Mykolayivka city united territorial community, Donetsk region.**

The Employer now invites the Contractors to submit their tenders for the following contract to be funded by the grant, aimed at purchase of: Adjustment of the design documentation, supply of materials and performance of works for replacement of obsolete fixtures with new LED ones, replacement of wire with SIW one, replacement of damaged polls, restoration of contours of protective grounding, disposal of dismantled lamps.

To be qualified for the award of a Contract, Tenderers must satisfy the following minimum criteria:

- the Tenderer, has the financial, technical and production capability and capacity necessary to perform the Contract, and Tenderer’s average annual revenue in the previous **three** years was at least **two** times greater than price of his tender. In case of tender submitted by JVCA, the leading partner should demonstrate at least 50% compliance with the requirement;
- the Tenderer has satisfactorily delivered similar plant and works to other Employers and completed at least **five (5)** similar Contracts in the recent **five** years;
- the Tenderer or its agent will be able to carry out warranty obligations;
- the Tenderer is not bankrupt or under bankruptcy procedures according to the national legislation or regulations;
- in the case of a Tenderer offering to deliver plant under the Contract which the Tenderer does not manufacture or otherwise produce, the Tenderer has been duly authorised by the plant’s manufacturer or producer to deliver the plants in the Employer’s country.

In preparation of their offers, the Tenderer should take into account that the works in this Contract will tentatively start in **May 2020** and continue to **October 2020**.

Tender documents, upon request from prospective Tenderer, will be sent by email free of charge in electronic format (PDF file). If requested to send documents in the written form, the documents will be sent by Employer to Tenderer on terms and conditions agreed by the two.

All Tenders must be accompanied by a Tender security in the form of tender-securing declaration whose form is provided in Tender Document. The purpose of Tender security is to ensure the Tenderers are serious about their participation.

Tenders must be delivered to the office at the address below before **30.03.2020** at **13:00 p.m.** at which time they will be opened in the presence of those Tenderers’ representatives who choose to attend.

Pre-tender meeting of Tenderers with the Employer’s representatives for visiting the project sites and discussion of technical and logistical issues will be held on **27.02.2020** at **13:00 p.m.** at the address: **84182, Donetsk region, Slovyansk district, Mykolayivka city, Enerhetykiv square, building 2/14**

Prospective Tenderers may obtain further information, and also inspect and acquire the Tender documents at the address:
