Increase of energy efficiency of street lighting system in Kremenchuk city

INVITATION FOR TENDERS

“Reconstruction of street (external) lighting based on energy efficient lighting sources in Kremenchuk, Poltava region”

*Department of Housing and Communal Services of the Executive Committee of the Kremenchug City Council hereinafter referred to as “the Employer”, intends to use proceeds of a loan from the Nordic Environment Finance Corporation (NEFCO) and proceeds of local budget towards the cost of **reconstruction of street (external) lighting based on energy efficient lighting sources in Kremenchuk, Poltava region.***

The Employer now invites tenders from Contractors for the following contract to be funded from part of the proceeds of the loan:

- *Purchase of equipment and related works for reconstruction of street (external) lighting based on energy efficient lighting sources in Kremenchuk, Poltava region*

To be qualified for the award of a contract, tenderers must satisfy the following minimum criteria:

- the Tenderer, has the financial, technical and production capability and capacity necessary to perform the Contract, and Tenderer’s average annual revenue in the previous **three** years was at least **two** times greater than price of his tender. In case of tender submitted by JVCA, the leading partner should demonstrate at least 50% compliance with the requirement;
- the Tenderer has satisfactorily supplied similar plant and works to other purchasers and completed at least **five (5)** similar contracts in the recent **five** years
- the Tenderer or its agent will be able to carry out warranty obligations;
- the Tenderer is not bankrupt or under bankruptcy procedures according to the national legislation or regulations;
- in the case of a Tenderer offering to supply plant under the Contract which the Tenderer does not manufacture or otherwise produce, the Tenderer has been duly authorised by the plant’s manufacturer or producer to supply the plants in the Purchaser’s country.

In preparation of their offers, the Tenderers should take into account that the works in this contract will tentatively start on **October 2020** and end on **August 2021**.

Tender documents, upon request from prospective tenderer, will be sent by email free of charge in electronic format (PDF file). If requested, the documents will be sent by Employer to Tenderer on terms and conditions agreed by the two.

All tenders must be accompanied by a tender security in the in the form of tender-securing declaration whose form is provided in Tender Document. The purpose of tender security is to ensure the tenderers are serious about their participation, irrespective of the contract size.

Tenders must be delivered to the office at the address below on or before **12.00 P.M. October 20, 2020**, at which time they will be opened in the presence of those tenderers’ representatives who choose to attend.

Pre-tender meeting of Tenderers with the Employer for visiting the project site and discussion of technical and logistical issues will be held on **12.00 P.M. September 03, 2020** at the address **Kremenchuk, Peremohy square, 2, office 211**.
