Issue date: 01 April 2021

Closing date: 30 September 2021

Military-civil administration of Shchastya City of Luhansk region is planning to announce competitive tendering for the works, goods and services defined by the Project "Energy efficiency measures in Shchastya City" covers the capital repair of the City Hospital located at 97 Donetska street.

The City intends to use the funds from a grant provided by the Neighbourhood Investment Platform of the European Union and own co-financing for the works, goods and services as listed below.

The Project is being implemented based on the order No. 249 of the Head of the Military-Civil Administration of Shchastya city dated 16 December 2020 "On attracting a grant from NEFCO for financing the investment project "Energy efficiency measures in the city of Shchastya".

The Project, which has the total estimated cost of up to 370,000 EUR (excluding VAT) will require the procurement of the following works, goods, and services:

- insulation of walls;
- insulation of the socle with the installation of the blind area;
- replacement of doors;
- insulation of the last floor overlap;
- partial repair of the tent type roof with installation of lightning protection;
- replacement of the external heating network to the building;
- installation of an individual heating system;
- replacement of part of the indoor heating system;
- replacement of the interior lighting system of the building.
