

GENERAL PROCUREMENT NOTICE

Project name: Energy Efficiency refurbishment of healthcare institutions in 4 districts of Republic of Moldova

Country: Republic of Moldova

Sector: Energy Efficiency

Funding sources: NEFCO, ESP, and District Councils of Telenesti, Floresti, Nisporeni and Ialoveni

Procurement: Works, goods and services

Notice type: General Procurement Notice

Issue date: 24 January 2023

Closing date: 31 December 2023 at 23:59 Chisinau time

The Districts of Telenesti, Floresti, Nisporeni and Ialoveni are planning to announce competitive tendering for the works, goods and services defined by the Project "Energy Efficiency refurbishment of healthcare institutions in 4 districts of Republic of Moldova".

The mentioned above districts intend to use the funds from a loan provided by Nordic Environment Finance Corporation (NEFCO), own co-financing and grant funds from Eastern Europe Energy Efficiency and Environment Partnership (ESP) for the works, goods, and services listed below.

The Project will result in reduction of energy consumption and CO₂ emissions as well as budgetary expenditures savings. Also, it is of great social importance since implementation of the project will improve the quality and conditions of patients' and staff's wellbeing and will extend the buildings' lifetime.

The investment program, which has the total estimated cost of approximately 2 million EUR (loan funds, grant, and local co-funding), will require the procurement of the following works, goods, and services for the following 11 healthcare institutions, and namely:

Telenesti City - Polyclinic

- Thermal insulation of building envelope
- Roof replacement and attic insulation with mineral wool, 100 mm
- Thermal insulation of basement soffit with extruded polystyrene (XPS)
- Replacement of wooden doors and windows
- Modernization of the indoor heating system
- Thermal insulation of the basement heating pipes
- Modernization of the interior lighting installations
- Installation of 2 service lifts, 450 kg
- Installation of PV-photovoltaic systems of 52.5kW
-

Nisporeni City – Maternity Ward Building

- Thermal insulation of building envelope
- Roof replacement and insulation with mineral wool, 100 mm
- Replacement of doors and windows
- Modernization of the indoor heating system
- Modernization of the interior lighting installations
- Replacement of old kitchen electrical equipment with energy efficient solutions
- Heat recovery ventilation system of the kitchen
- Installation of PV-photovoltaic systems of 49kW

Floresti District Hospital

- Thermal insulation of building envelope
- Thermal insulation of socles with extruded polystyrene (XPS)
- Replacement of doors and windows
- Modernization of the indoor heating system
- Thermal insulation of the heating pipes
- Modernization of the interior lighting installations
- Installation of PV-photovoltaic systems of 60kW
- Installation of 1 service lift, 450 kg

Family Doctor's Office in Ilichiovka village (Floresti District)

- Thermal insulation of building envelope
- Roof replacement and insulation with mineral wool, 100 mm
- Thermal insulation of socles with extruded polystyrene (XPS)
- Replacement of doors and windows
- Modernization of the indoor heating system
- Modernization of the interior lighting installations

Family Doctor's Office in Temeleuți village (Floresti District)

- Thermal insulation of building envelope
- Roof replacement and insulation with mineral wool, 100 mm
- Thermal insulation of socles with extruded polystyrene (XPS)
- Replacement of doors and windows
- Modernization of the indoor heating system
- Modernization of the interior lighting installations

Family Doctor's Office in Rusestii Noi village (Ialoveni District)

- Thermal insulation of building envelope
- Replacement and thermal insulation of the roof with mineral wool (MW), 100 mm
- Modernization of the indoor heating system
- Modernization of the Thermal Power Plant
- Modernization of the interior lighting installations
- Installation of PV-photovoltaic systems of 4.9 kW

Family Doctor's Office in Ulmu village (Ialoveni District)

- Thermal insulation of building envelope
- Replacement and thermal insulation of the roof with mineral wool (MW), 100 mm
- Thermal insulation of basement soffit with extruded polystyrene (XPS)
- Replacement of wooden doors and windows
- Modernization of the indoor heating system
- Thermal insulation of the heating pipes in basements and technical ducts
- Modernization of the Thermal Power Plant
- Modernization of the interior lighting installations
- Installation of PV-photovoltaic systems of 4.9 kW

Family Doctor's Office in Vasieni village (Ialoveni District)

- Thermal insulation of building envelope
- Replacement and thermal insulation of the roof with mineral wool (MW), 100 mm
- Modernization of the indoor heating system
- Modernization of the interior lighting installations
- Thermal Boiler Controller Installation

Family Doctor's Office in Milestii Mici village (Ialoveni District)

- Thermal insulation of building envelope
- Replacement and thermal insulation of the roof with mineral wool (MW), 100 mm
- Modernization of the indoor heating system
- Modernization of the interior lighting installations
- Installation of PV-photovoltaic systems of 7 kW

Family Doctor's Office in Tipala village (Ialoveni District)

- Thermal insulation of building envelope
- Replacement and thermal insulation of the roof with mineral wool (MW), 100 mm
- Thermal insulation of basement soffit with extruded polystyrene (XPS)
- Replacement of wooden doors and windows
- Modernization of the indoor heating system
- Modernization of the interior lighting installations

Ialoveni District Hospital (Ialoveni District)

- Installation of 1 stretcher lift, 450 kg

Tendering for the above contracts are expected to begin in Q2-Q4 2023.

Contracts to be financed with the proceeds of a loan & grant from NEFCO will be subject to the NEFCO Procurement Guidelines and will be open to companies from any country.

The proceeds of the NEFCO loan & grant will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulations from Republic of Moldova.
