Municipal Development Fund of Georgia intends using the proceeds of a loan from the Nordic Environment Finance Corporation (NEFCO) and grant from the Eastern Europe Energy Efficiency and Environment Partnership (E5P) for the implementation of the Investment Project “Public Schools in Remote Mountainous Areas in Georgia”. The Project has a total estimated budget of EUR 6.5 MEUR (excluding VAT) aiming at implementing energy efficiency and renovation measures in preliminary 12 public schools located in mountainous areas of Georgia: municipal regions of Tianeti, Gori, Tsalka, Aspindza, Akhaltsikhe, Ambrolauri and Borjomi.

The Project will comprise survey serviced (with regards to earthquake resistance and strengthening), designing, supply of goods and implementation of works. The measures to be implemented in the buildings can be summarised as follows:

- Insulation of roofs, walls and pipes
- Replacement of windows
- Renovation of heating systems, including replacement of boilers
- Installation of thermostatic valves on radiators
- Additional measures improving general conditions of the buildings or indoor environment in the buildings

Tendering for implementation of the above listed measures is expected to begin Q1 of 2023 and finish in Q3 of 2024.

Contracts to be financed with the proceeds of a loan from NEFCO and grant from E5P will be subject to NEFCO Procurement Guidelines available at https://www.nefco.int/wp-content/uploads/2021/08/NEFCO-Procurement-Policy-and-Procedures_January-2021.pdf
