

GENERAL PROCUREMENT NOTICE

Project Name: Supply and installation of a flue gas condenser for a biomass boiler in order to improve the provision of centralized heat supply services in the city of Lutsk

Country: Ukraine

Sector: District heating

Funding sources: Nordic Environment Finance Corporation (Nefco) as fund manager for grant funds provided by Government of Sweden; Public Utility Enterprise Lutskteplo

Procurement: Works, Goods and Services

Notice type: General Procurement Notice

Issue date: 08 October 2024

Closing date: 07 October 2025

Public Utility Enterprise Lutskteplo of Lutsk City Council (Lutskteplo) intends to use the proceeds of grant from Government of Sweden (up to EUR 1,040,000) administered by the Nordic Environment Finance Corporation (Nefco), as well as own proceeds of financing (up to EUR 60,000), towards the cost of the Project.

The Project is being implemented based on the Grant Agreement between Lutskteplo and Nefco dated 16 July 2024.

Project Description:

- introduction of flue gas condenser for a 5 MW biomass boiler located in the premises of Lutskteplo's boiler house (Magistralna str., 56, Lutsk) which is adapted for the flue gas and DH return heat carrier flow respectively, with heat capacity of approx. 0.74 MW.
- introduction of particular measures to improve energy efficiency in residential and public building connected to DH networks of Lutskteplo; the measures may include both low-cost measures (like adjusting automatic controls) and more expensive retrofits of building-internal heating systems; the final list of measures shall be specified at a later stage of Project implementation.

Lutskteplo therefore announces competitive tendering for the works, goods and services defined by the above-named project and listed below.

Contractors will be selected for implementation of contracts in the following areas:

- supply and installation of flue gas condensers;
- additional measures improving general conditions of the buildings or indoor environment in the buildings.

Tendering for the contracts is expected to begin in Q4 2024 and finish in Q1 2025.

Tendering will be opened to firms from any country, however the proceeds of the grant will not be used for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations or under a law or official regulations of Ukraine. Contracts will be subject to [NEFCO Procurement Policy and Procedures](#).
