

## GENERAL PROCUREMENT NOTICE

**Project name:** Energy efficiency improvements of healthcare institutions in the District of Ialoveni

**Country:** Republic of Moldova

**Sector:** Energy Efficiency

**Funding sources:** NEFCO, E5P, and District Council of Ialoveni

**Procurement:** Works, goods and services

**Notice type:** General Procurement Notice

**Issue date:** 16 December 2024

**Closing date:** 31 August 2025 at 23:59 Chisinau time

The District of Ialoveni is planning to announce competitive tendering for the works, goods and services defined by the Project "Energy efficiency improvements of healthcare institutions in the District of Ialoveni".

The above-mentioned district intends to use the funds from a loan provided by Nordic Environment Finance Corporation (NEFCO), own co-financing and grant funds from Eastern Europe Energy Efficiency and Environment Partnership (E5P) for the works, goods, and services listed below.

The Project will result in reduction of energy consumption and CO<sub>2</sub> emissions as well as budgetary expenditures savings. Also, it is of significant social importance since implementation of the project will improve the quality and conditions of patients' and staff's wellbeing and will extend the buildings' lifetime.

The investment project, will require the procurement of the following works, goods, and services for the following 5 healthcare institutions located in Ialoveni District, and namely:

### Family Doctor's Office in Rusestii Noi village

- Thermal insulation of building envelope
