

GENERAL PROCUREMENT NOTICE

Project Name: Introduction of up-to-date energy efficient solutions for district heating in Poltava

Country: Ukraine

Sector: District heating

Funding sources: Nordic Environment Finance Corporation (NEFCO) as fund manager for grant funds provided by Government of Sweden; Poltava Regional Municipal Production Enterprise of Heat Management “Poltavateploenergo” (Poltavateploenergo)

Procurement: Works, Goods and Services

Notice type: General Procurement Notice

Issue date: 27 February 2025

Closing date: 26 February 2026

Poltavateploenergo intends to use the proceeds of grant from Government of Sweden administered by NEFCO (up to EUR 800,000), as well as own proceeds of financing (up to EUR 100,000), towards the cost of the Project.

The Project is being implemented based on the Grant Agreement between Poltavateploenergo and NEFCO dated 18 November 2024.

Project Description:

- Introduction of solar power and battery storage for the head office of Poltavateploenergo located at Polska str., 2a in Poltava.
- Introduction of solar collectors and heat pumps in the boiler house at Silskogospodarska str., 21 substituting natural gas, for the heat generation used for domestic hot water preparation and (partially) for space heating.
- Introduction of individual heating substations in two multi-storey buildings connected to the above-mentioned boiler house.

Poltavateploenergo therefore announces competitive tendering for the works, goods and services defined by the above-named project and listed below.

Contractors will be selected for implementation of contracts in the following areas:

- Supply and installation of solar collectors, solar panels and battery storage.
- Supply and installation of heat pumps.
- Supply and installation of individual heating substations.

Tendering for the contracts is expected to begin in Q2 2025 and finish in Q1 2026.

Contracts will be subject to [NEFCO Procurement Policy and Procedures](#) and are open for participation for firms from any country, unless otherwise specified in the procurement documents.
