

General Procurement Notice

Project Name: Energy Efficiency Refurbishment of the Volodymyr Territorial Medical Association

Country: Ukraine

Sector: Energy Efficiency

Funding sources: Nordic Environment Finance Corporation (NEFCO) as fund manager for grant funds provided under the multi-donor financed Green Recovery Programme for Ukraine and Volodymyr City Council, which co-finances the Project.

Procurement: Works, Goods and Services

Notice type: General Procurement Notice

Issue date: 4 February 2026

Expected closing date: 31 July 2027 at 23:59 Kyiv time

Volodymyr City Council is going to announce competitive tendering for the works, goods and services required for the Project “Energy Efficiency Refurbishment of the Volodymyr Territorial Medical Association ” (the Project).

Main Project Measures: Comprehensive energy efficiency refurbishment of the buildings of the Communal Enterprise "Volodymyr Territorial Medical Association", including the Central Building and the Division of Obstetrics and Gynecology.

The Project includes: thermal insulation of the external walls, pitched roof covering and attic floor, socle and window slopes, replacement of windows, installation of new entrance doors and vestibules, modernization of the heating system: replacement of old radiators, piping replacement, installation of dynamic valves with thermostatic heads, balancing valves and an Individual Heat Substation (IHS), insulation of building level heating pipes, integration and modernization of domestic hot water supply system, arrangement of decentralized and centralized ventilation systems with heat recovery and exhaust fans, installation of a 60kW solar photovoltaic (PV) plant, supplementary construction works.

The Project also includes preparation and approval of project design documentation, obtaining necessary permits, supply, installation and commissioning of goods and equipment, and performance of related works and services by contractors.

Open tenders for the selection of contractors for the both components of the Project are anticipated to be announced in the first quarter of 2026, with full Project completion expected on or before July 2027.

Procurement will be conducted in accordance with the NEFCO Procurement Policy and Procedures, available at: <https://www.nefco.int/about-nefco/procurement/>. Tender notices will be published on the NEFCO website and other relevant platforms.
